WORKING FOR THE PEOPLE OF WALSHALL

Pathways 4 Life provide a range of services for people with dementia, their family members, carers and professionals to enhance independence, health and well-being.

Dementia cafés

Our dementia cafés provide an opportunity for people with dementia and their family members or carers to get together, share experiences, get information and advice from our café co-ordinator and guest speakers and join in with an activity. Cafés are held monthly at various locations and times during the month.

For more information, please call **07793 699 141**

Dementia support workers

Our dementia support workers are specially placed on hospital wards and Accident and Emergency Departments to improve dementia care for patients during their stay. By working alongside ward staff, our people provide advice, guidance and signposting to services and information.

For more information, please call **01922 721 172 ext 7408**

Dementia support worker: Hard to Reach Groups

Our Dementia Support Worker for hard to reach groups provides additional support for those that may have difficulty accessing information or support such as requiring information in different language or sign language.

For more information, please call **07788 285 446**

Personal Assistants - Dementia

The Personal Assistants - Dementia team will provide a range of post diagnosis support to ensure that people who are newly diagnosed with dementia and their family members and/or carers feel well informed and supported.

For more information, please email **pads@accordgroup.org.uk**

Care Improvement and end of Life

The dementia support workers aim to provide guidance to people within the community, care homes living with dementia and end of life care needs, as well as their families, carers and health and social professionals assisting them.
